GENERAL PRICE LIST

These prices are effective as of June 1, 2011. But are subject to change without notice.

To Those We Are Privileged to Serve

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public, to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for services, be identified. In all categories of service, a basic fee will be charged, plus a fee for each requested or required item of service. However, the complete and total quotation for direct cremation without formalities is all-inclusive. Other options are also available. It is our sincere concern that every requirement you may have be fulfilled, in addition or apart from our standard offerings as listed herein. Please feel free to express yourself to our counselor. We will make every effort to meet your needs.

Our charge includes, but is not limited to, consultation with the family, administrative and clerical services, preparation of the death certificate for certification by the attending physician or coroner, necessary permits, filing the death certificate with appropriate agencies, consultation with clergy, cemetery, crematory or common carrier, assistance with insurance papers, planning the funeral or memorial service, placement of obituary notices. There will be a charge for each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.
